The meeting was held at the request of the Streetsville Improvement Society of whom the following members were present.

	E.D.McNeely	F.Reed	D. Machin
			V.C.Johnson

Mr. C. Bowyer was present at the request of the Improv. Soc.

The president Mr. Tindale stated that the purpose of the meeting with the Council was to bring before tham the necessity of a Park and recreational grounds for the Villagers, there is a Park in the Village but the Villagers are either refused entrance or forced to leave by the hostile attitude of the owner. The Improvement Society has gone into this matter and had a private individual approach the owner of "Peel Park" for the purpose of buying it; but the owner would not consider selling at all. Therefore they are now asking Council to take steps to acquire "Peel Park" as a Park and Recreational Grounds for the People.

Mr. F. Pidgeon Stated that he beleived there would be $5,000.00 available to the Village for this purpose from the Nellie Rutledge Estate, that it was possible to obtain a grant from the Government for 25% of the purchase amount up to $10,000.00 and that the difference between these amounts and the purchase price, provided it was not prohibitive, could be borrowed from the Bank of Nova Scotia.

Mr. A.E.Graydon, an executor of the Nellie Rutledge Est. read the clause in the will which stated that $5,000.00 would be paid to the Village for a purpose such as this. He said that as soon as it had been definetely decided upon and a price set for the purchase of this property, the executors would be only too glad to turn this money over to the Village.

Mr. Bowyer told the Council that the Village had the right to acquire or expropriate this property, if the owner refuses to sell to them or sets an exhorbitant sum as the price of the property.
He advised that the owner be personally approached regarding the sale, if this fails steps should be taken to acquire it and if necessary have it expropriated. And if necessary have a Private Bill passed by the Provincial Government.
